Dear Students and Parents

RENTAL RATES: Due to the Covid-19 pandemic NSFAS has not released the budget for accommodation and no student has provided valid proof that they have been approved by NSFAS so far. If NSFAS and the bursary fails to pay the accommodation, it is the responsibility of the parents to pay all outstanding fees due to Rei Group.

As we wait for NSFAS to release the budget and the students to have valid proof of the bursary, each student is to pay R2500.00 pending NSFAS outcome. Any extra fees will be refunded but R2500 administration fee is non-refundable.

Lease agreements will be provided after everything has been validated in March 2022. Please return completed form with proof of payment and supporting documents to: info@reigroup.co.za
